STATE OF MONTANA

1954 MIGRATORY WATERFOWL SEASON - ~~1954~~ 1954

General regulations governing the taking of migratory waterfowl, including ducks, geese, mergansers, coots, mudhens and other species, thereof.

BAG AND POSSESSION LIMITS: A daily bag of five and a possession of ten ducks, including not more than one wood duck or one hooded merganser, with the exception of the opening day's limit, which may not exceed five ducks in possession. Red breasted or American mergansers, when taken, must be included in the daily bag and possession limit.

The daily limit on geese will be five for bag and possession. These limits will include not more than two dark-colored geese and three snow geese, except in Gallatin, Beaverhead and Madison counties, where snow geese and Ross' geese may not be hunted.

Daily bag and possession limits for coot or mudhed will be ten birds.

HUNTING OF SWAN IS PROHIBITED AT ALL TIMES.

DATES OF MIGRATORY WATERFOWL SEASON: Open from Saturday, October 9, 1954, at 12:00 noon through sunset, Tuesday, December 7, 1954.

Shooting hours after the opening day will be one-half hour before sunrise to sunset every day.

The Migratory Waterfowl Season and the above orders were approved on August 17, 1954.
